

Beautiful Flowers

When we talk about beautiful flowers in El Paso, it reminds us of the flower gardens back home, where everything beautiful grows. These flowers are grown up in the mountains of New Mexico—Tularosa. We receive them fresh every day and from now on as long as the season lasts will furnish parties, hotels and special entertainments. These flowers are fresh and crisp—of better color, look better, and smell better than any flowers grown in this section of the country. To see them is to appreciate them. In case of entertainments place your orders in advance and they will be filled to your entire satisfaction. This week we will have beautiful

BURMAN MAKES NEW AUTO MILE RECORD

Daytona, Fla., April 24.—Bob Burman celebrated his 27th birthday anniversary here by making new automobile racing history at Daytona beach. He clipped the mile record down to 25.40 seconds and the kilometer to 15.58 seconds and lowered Barney Oldfield's two miles world record of 55.87 seconds to 51.28.

Burman was in his 500 horsepower Blitzen Benz, in which he had placed the mile mark Saturday at 26.32, and the kilometer at 16.27, with the course none too good for record work, but slightly faster than yesterday, when he hung up new world records. He was out early getting his machine ready for another record. A large crowd was on the beach.

Burman maintained a speed of 150 miles an hour in his two miles trial, or a fraction less than in his one mile trial.

THATCHER BOYS WIN IN GAME WITH CLIFTON TEAM

Safford, N. M., April 24.—Saturday was "field day" for the L. D. S. academy at Thatcher, and very interesting contest developed between the academy and Clifton High school. Luck was with the academy as they won most of the events, including the ball game, score 6 to 1, and then defeating Safford's best team 14 to 4, all the same day. About 30 of the Clifton High school came down in hacks, a 50 mile trip. Professor Halverson, the Clifton principal, was in charge. Just at the conclusion of the day's sports, professor Halverson received a message saying his baby had just died in Clifton, and the high school left on a sad return journey.

The Clifton battery, Goolby and Smith, would probably have put up a better game, but they attended a party the evening before, and on returning to the house where they were assigned to sleep, Mr. Goolby's house, they failed to find it and walked the streets all night.

FT. BLISS BOYS AND INTERNATIONALS ARE VICTORS

City League Games Sunday Lively and Draw Large Crowds.

Fort Bliss and the Internationals were the winners in the City League baseball games at Washington Park Sunday afternoon. The Internationals defeated the Globe Mills team by the score of 2 to 0, and the Fort Bliss players put it over the White Sox bunch in an exciting game by a 7 to 4 score.

The Fort Bliss team has won both of its games since the City league has been opened and so leads the league with a clean slate. All of the other teams have lost at least one game.

A large crowd turned out to see the games Sunday and they were all 33rd degree fans, as at every opportunity they gave forth all the rooting which was in them.

The first game, between the Globe Mills and the Internationals, was very close and ended with the Internationals as winners by a 2 to 0 score. Both teams were able to connect for a lively game, but the Globe Mills were well scattered.

Joe Bryan pitched for the Globe Mills boys, and put up a wonderful exhibition and should have won his game. However, his teammates made six errors behind him and they all camp at costly times. Joe fanned four of the Internationals and did not give a walk. His teammates put up a very poor game behind him, only three men were able to get on the bases during the entire game.

W. Medina did the box work for the winners and divided the pitching honors with Bryan. His team, however, was a first-class game and deserved to win.

F. Medina, at short for the Internationals, did the sensational work of the day. He accepted every chance and his pegging was wonderful.

The Internationals made their first run in the fifth inning. The second score came in the last inning on a hit, a base on balls and an error.

The score: R H E Internationals . . . 0 0 1 0 1 1 2 3 0 Globe Mills . . . 0 0 0 0 0 0 0 0 3 6 Batteries: W. Medina and Levey; Bryan and Doering. Umpire—Schneidau.

The second game between the Fort Bliss and the White Sox ended with the score 7 to 4 in the soldiers' favor. This game was the most exciting game of the day, as there was plenty of heavy hitting and sensational fielding.

The soldiers made five of their runs in the fourth inning, when pitcher Harbin of the White Sox and his teammates went up in a balloon. The soldiers coupled with Harbin's three wild pitches and two errors by his teammates, let five runners cross the plate. The soldiers clinched the game in their half of the last inning with two more runs. Reed got on first with a single, and came home on Ryan's three-bagger to deep right, which could easily have been pitched into a home run. Ryan scored in this inning on Smith's single between first and second.

The White Sox scored in the first inning and came back again in the second with three more runs. After this inning the team went to pieces and could not scrape up enough stuff to score again.

Ross's hitting was the feature of the game. Out of four times up he had a triple, double, and drew two passes. The Fort Bliss team made the game and consistent game. Only one error was made by the team and the soldiers came across with hits when they were needed. The soldiers have won many friends among the local fans since they have been out in the league, and a more gentlemanly bunch of ball players have not been seen on the local diamond in a long time. They haven't been known to raise a dispute over an umpire's decision and they put up a clean, fast article of ball.

The score: R H E Fort Bliss . . . 0 0 5 0 0 0 2 7 7 1 White Sox . . . 1 3 0 0 0 0 0 4 3 6 Batteries: Matthews and Smith; Harbin and Andreas and Ross. Umpire—Schneidau.
